Dear Club,

I thought that I would share a recent experience I had with you and your readers.

It all started on my friend Clare's hen night I went on a short while back. The night was no different to any other hen night I have been on. We did the usual, went on a pub crawl and were driven round all night in a stretch limousine. We finally got back to the hen's house at about 3am where Clare, Nadia, Heidi and myself carried on drinking and chatting.

The subject of sex soon came up. We were all talking about our fantasies and it turned out that Clare had always had a fantasy of having sex with another girl and had always planned to do this before she got married. Nadia made a joke that I should do her the honour as I was bisexual. It was laughed off as a joke and dismissed. I did, however, make the point that she only had 2 weeks to fulfil this fantasy, so she better hurry up and find a willing girl but thought no more of it that night until we were the last two still up.

10 minutes after the others going to bed, Clare suddenly leaned over, placed her lips on mine and paused. I was pleasantly surprised, as I had always fancied Clare but knew that she had never been with another girl and didn't think that she

ever would. But this was an opportunity I definitely wouldn't miss.

I gently put both my hands on her head and held her soft face against mine. I could feel both our heart rates increasing as we slowly started kissing each other, getting faster and faster, panting more and more by the second. Within minutes we were pulling at each others clothes, tearing them off. Before long we had moved the sofa cushions onto the floor and were rolling around in our underwear. I rolled Clare onto her back and pinned her down to the floor holding her arms above her head with one of my hands and started kissing, nibbling and licking Clare's body. I slowly moved down her body. Clare was gasping and squirming with pleasure.

I managed to unclip her bra and pulled her

“I inserted a couple of fingers into her dripping hole and wanked her furiously.”

thong off whilst still holding her hands above her head. She had a fantastic figure and was tanned. Her pussy had been shaved into a Brazilian.

She lifted her knees up and opened her legs invitingly. I held her hands down at her side so I could move my face in-between her legs. Her breathing was getting louder and louder. I pushed my tongue in-between her swollen lips and made one sweeping lick from back to front. She gasped with immense pleasure. She was so wet.

I started lapping at her clit and inserted two fingers inside her dripping pussy. She kept gasping, wriggling from side to side. I pulled away, teasing her. I pulled myself up and we kissed passionately, grinding our bodies together. I then let go of her hands and she pushed my head back down and thrust my face back between her legs. I pushed my tongue in and out of her wet pussy and sucked at her swollen clit. As I thrust my fingers in and out of her pussy she suddenly let off a loud groan and climaxed. Her juices poured all over my face. She immediately pulled my head up and rolled me onto my back, spread my legs apart and sucked me.

Inserting three of her fingers inside me, pushing them in and out, rubbing and sucking me until I climaxed too.

It has to be said that it was definitely the most amazing girl on girl experience I had ever had!

Alice, Southampton.

Dear Club,

What an excellent Saturday night I just had. I was out with my girlfriend Clare and a group of friends in a new bar on Kings Road. I am sure that it was a full moon that night, as everyone one was in a really wild mood. Everyone seemed to be flirting with everyone. Our group have always been quite a close one but not as close as I realised on this particular night.

By about 4am everyone was ready to head off home. Clare, Tina, and I all headed off in one direction, as we were the only ones who lived south of the river. We started walking in the direction of home hoping to pick up a cab along the way, which meant walking over Albert Bridge and along the side of the park.

As we were walking up to the bridge Clare started playing around with Tina, flirting with her and kept pinching her bottom. Clare and my fantasy had always been to have another

girl join in with us but never thought that the right situation would ever occur. Clare had lived with women before and I knew that she missed having girlie experiences. I could see that situation could possibly happen tonight and I knew that if I didn't say something soon I may miss this opportunity.

I whispered to Clare, "Why don't you kiss her?". As far as we both knew Tina had never been with a girl before so we knew that we would have to tread carefully to pull this one off. Tina shortly picked up on Clare's come on and slid her hand onto her arse. Clare suddenly grabbed the opportunity and pinned her up against a lamppost and started to kiss her slowly but firmly. It was very passionate. I pushed my body against Clare's so she could feel how hard I was and grabbed hold of her tits and squeezed them hard.

Clare started kissing Tina more and more

passionately. She suddenly stopped and asked her if she fancied going into the park for some fun? Tina nodded but whispered into Clare's ear to be gentle with her as all this was all very new to her.

My cock was throbbing at the thought of the whole thing. Clare grabbed Tina by the hand and we all ran into the park. We went up to a short wall not far from the entrance to the park. Clare put her coat on the wall

and told Tina to sit down. I sat down next to her and waited to see what Clare was going to do.

Tina was wearing a very short denim skirt and high heels. She looked so sexy. Clare slid her hand up Tina's skirt and gently pulled down her lacy g-string. Tina opened her legs revealing her shaven pussy. Both of them were panting with excitement. I unbuttoned my trousers and started gently wanking myself off. By this stage Clare was kneeling down in front of Tina holding her legs open wide and was licking her wet lips slowly. What a turn on, I was in heaven!

I watched as Tina grabbed hold of Clare's hand and gently pulled it towards her pussy. Clare inserted her fingers into to her dripping hole and started to wank her off whilst lapping at her clit. She was moaning so much, I couldn't bear it any longer. I got up and stood behind Clare, pulled up her skirt up and yanked her g-string. I inserted a couple of fingers into her dripping hole and wanked her furiously. I was randy as fuck.

Clare was groaning so much. This whole experience made me feel so naughty. I inserted a finger slowly into her tight hole which I could tell she welcomed by the sound of her moans. I then pulled it out and pushed my hard cock against her hole and gently pushed it up her ring, inch by inch. Soon I had built up a steady rhythm in time with both the girls moans. It took no time at all before we all climaxed! What a surprise!

I couldn't believe my luck. It has to be one of my best sexual experiences ever. *Dave, London.*

PHOTOS: BB MEDIA

One saucy Scot has come to our recent attention in the spellbinding Star Wars XXX Parody released earlier this year, but it looks like things on Planet Earth aren't going nearly as wrong for Georgie Lyall, who's been putting more than a smile on her fans faces recently. It looks like you've had a pretty hectic filming schedule recently?

"Yes it has been manic, but such great fun, especially shooting *Star Wars: The Last Temptation*. Unbelievably fun all round, and it looks great too!"

I think we are all hoping to see more of Miss Lyall in the future and here's to her Club debut.

Aria 
PHOTOS: TWISTYS

Aria Amore is beautifully wrapped, with a little bow to complete the present, but who may we enquire will be doing the unwrapping?

"You, if you like," Shay replied, raising one eyebrow with a smile.

It looks like we have a playful kitten here, and we're going to be the ball of wool bopped from one paw to the other. Seeing as these so-called paws belong to Aria, I think it's safe to say we don't mind a bit of cat and mouse and who knows where it might lead.

The exotic nature of Danika always pours forth like the fountain of our desire for her. And this time is no different, as her elegant and revealing dress only heightens our lust for the body below, as her breasts softly perched on her chest pull in our gaze. It's a wonder we haven't done ourselves damage the amount of staring that's going on, it really has slowed the Club production team right down. But from Danika we wouldn't expect any less.

DIRTY CLEANER

I'm a 30-year-old payroll manager at a large holiday camp in the South West. Every summer we take on a lot of staff from the nearby towns to help cope with the extra workload, including about eight busloads of chalet maids. We get quite a few students looking to make some easy money before they go off to uni. One of them caught my eye as soon as I saw her, a shapely brunette called Rachael, and I made myself a promise to get to know her a whole lot better before she left.

One Saturday morning I was feeling particularly horny and decided to go and see Rachael. Telling the people in the office that I had a problem with her tax forms I ventured out into the camp. Saturday is changeover day; most of the holidaymakers have left their flats by ten o'clock and the girls set to work cleaning up the mess left behind. After half an hour of asking where Rachael was I was about ready to give up when I noticed a cleaner's trolley outside one of the flats at the very edge of the camp. Confident that this had to be Rachael's I hurried over and entered the building.

I was just about to call out her name when something stopped me. I could hear the unmistakable sounds of someone having sex. The gentle whimpering and light panting noises were coming from the bathroom and my cock started to stiffen as I approached the

partly-open door. Peering through the crack I could see Rachael sitting on the toilet with her jeans and panties round her ankles and her fingers busy in her neatly-trimmed snatch. She held the lips of her cunt apart and I could see how wet she was inside. With the fingers of her other hand she was rubbing her long clit, which stood proud of its fleshy hood. There's something so fucking horny about the sight of a woman wanking that by now my cock was threatening to tear through my trousers.

I quietly pulled down my zip and took my dick out. I took a firm grip on it and wanked myself off, not too hard in case I came too quickly. I had other ideas about where I wanted to shoot my load!

Rachael was clearly getting pretty excited herself. I could tell by her breathing and the little moaning sounds she was making that

Plucking up my courage I pushed the door wide open and stood there, stroking my pole.

"I knew someone was there," Rachael panted, not missing a stroke on her clit. "And I had a good idea it would be you. One of the girls told me you were looking for me." With that she stood up, bent over the sink and wiggled her pretty arse in the air. "Come on, we haven't got much time. There are some rubbers in my bag."

As I bent down to search in her handbag my face came level with that gorgeous bum and I knew I'd have to have a taste of her before I fucked her. I found the condom and rolled it on, then returned my attention to her

"I lapped at her pussy, gathering her nectar on my tongue..."

she wasn't far off orgasm. As I watched she reached down, picked up the can of bathroom cleaner she'd been using and began to rub the rounded end into her swollen cunt. This caused her to moan even louder and I knew I had to act fast before she actually came.

rear end. Her cunt was running with juice and above it her gorgeous arse was simply begging for a seeing to. I lapped at her pussy, gathering her nectar on my tongue, then moved up to work her juices and my saliva into the darker flesh of her lovely ringpiece to help with my penetration.

"Come on, I want to feel your cock inside me," exclaimed Rachael. I stood up and

eased my tool inside her dripping cunt. As we fucked I used my fingers to play with her arsehole, gently easing a single finger inside then out again, lubricating her hole with her own pussy juice until I thought she was ready for me. When I was able to get three fingers in comfortably I knew she was ready for my cock.

"Do you want it up your arse?" I asked her, fairly sure of the reply. "Do it, do it now," she gasped, so I pulled out of her snatch and placed my knob at the entrance to her arsehole. With one push I was in, her sphincter clenching beneath the rim of my helmet. I held it there for a second, my balls churning with the excitement of it all, then eased my way forward. Rachael let out a long, low moan as my meat invaded her back passage and I knew that she too was loving every minute. I fucked her arse gently, not wanting it to end, but desperate to blow a nut. Rachael was wanking her clit furiously, her fingers occasionally rubbing against my tight balls. I reached down to slip three fingers into her slit and this was just enough to send her into ecstasy. Her arse convulsed around my prick and I knew I was going to come. With one extra hard thrust up her chute I pulled out, whipped off the condom and wanked the biggest load of my life across her back. As we both came back down to earth I gently massaged my cream into the soft skin of her arse and noticed that some of my come had even landed in her hair!

Rachael and I continued to meet up for

some good old-fashioned arse fucking throughout the summer – it turned out to be her favourite form of sex. I often wonder who's shafting her stunning backside while she's at uni. Some lucky young student I suppose, or perhaps one of the lecturers. But at least I know she'll be back here in the summer to carry on our bum fun!

THREE'S COMPANY

Carly and her mother had moved into a house a few doors away from me at the end of January. She was a gorgeous young girl with a great arse and absolutely stunning tits, 36DD I reckoned at first guess. The first time she came into my local I said to my mates "I'm going to fuck that if it's the last thing I do." I gave it a couple of minutes to see if anyone joined her, then made my move. It turned out that Carly was a friendly girl and we seemed

to get along really well. As we started to chat I noticed her beautiful pale green eyes, soft blonde hair and honeytone skin. Oh, and of course those tits. Several drinks later I invited Carly back to my place for a night-cap (and hopefully a shag, of course!) which she readily accepted. I gave a quick nod and a wink to the lads on the way out and their mouths just dropped open; they couldn't believe I was leaving with this gorgeous piece.

As we walked through my front door I thought I'd better be a gentleman and asked Carly what she'd like to drink. I was greeted with the memorable line "Fuck the drink. Let me see your cock." Now I may not be the sharpest knife in the drawer, but I was thinking that was a definite come-on and I was onto a winner here. With almost lightning speed she had my trousers down and her lips were around my cock. She quickly wanked and sucked me to full hardness, stopping just

as I was about to come. Then she stood up, whipped off her knickers, hitched up her skirt and bent over the sofa, treating me to a first class view of her lovely arse and completely bald fanny.

"Lick my arsehole," demanded Carly. I got on my hands and knees and started to tongue her pussy, intending to work my way round to her brown puckered rose. "Forget my cunt and lick my ringpiece now," she yelled at once. "That's where I want you to stick your cock." This girl was blowing my mind. She was so direct that I decided it was best to just do what she wanted and within a couple of minutes I was balls deep in her arse and rapidly approaching the point of no return.

"Don't come inside me," she ordered. "I want to taste your spunk."

I pulled my dick out and she spun around just in time to catch the first spurt right on her lips. As she lapped greedily at my cream

the next jet flew straight down her throat. I thought I'd died and gone to heaven! She fucked me senseless for the rest of the night and finally left my place the next morning.

Carly and I began to see each other regularly and the sex was always fantastic. The only thing I found odd, though, was that sometimes all she wanted was anal sex and at other times she wouldn't have it that way at all.

I just put it down to moodiness. Anyway, at the end of one particularly boozy and horny Saturday night in the pub Carly invited me back to her house for the first time, telling me she had a little surprise waiting for me. I was curious.

As we entered her house she told me not to worry about her mother as she knew I was coming back and was a heavy sleeper anyway. I walked into their living room and simply couldn't believe my eyes. There was a skin flick playing on the video and a woman lying naked on the sofa with a dildo buried to the hilt in her shaved snatch. This girl turned to look at

“ Me butt fucking an anal virgin on the orders of her twin...”

Carly and I quickly stripped and the three of us started kissing and fondling on the floor. Carly was soon into her stride, telling Candy and me exactly what and where to suck, lick and probe. After about ten minutes I turned Candy onto all fours and nudged my throbbing cock against her virgin anus. “Please be gentle,” whimpered Candy. “Fuck her arse now,” ordered Carly. I applied a little pressure, then a little more and suddenly the muscles of her sphincter gave way and I buried my cock deep inside her tiny sweet hole. Candy let out a few gasps and then began to moan with pleasure.

Carly lay down under us both and began to lick and suck my balls. I was rapidly approaching climax when, out of the corner of my eye, I caught sight of another person standing in the doorway with a video camera. Fucking hell, it was their mother – wearing nothing but stockings and suspenders! For a split second I stopped pumping Candy’s arse, but their mother just lowered the camera and smiled. Then, just in case I needed any more encouragement, she walked over, put a leg either side of Candy and asked me to lick her clit. She was just an older version of the girls and was in terrific shape. I pictured the scene briefly in my mind; me butt fucking an anal virgin on the orders of her twin sister who was now squeezing my bollocks whilst fingering my arsehole. And there was their wanton mother, dressed only in a pair of black stilettos and flying tackle, straddling both of them so that I could drink her musky pussy cream! Pretty wild or what?!

Well I shot my load right there and then up Candy’s arse. I eased my cock out and Carly lapped at my spunk excitedly. I ended up servicing the lot of them with Carly calling the shots and me not able to leave until Monday morning with my bollocks feeling like they’d been turned inside out!

I’ve been fucking all three of these come-hungry babes for a few months now and they tell me that as long as I continue to satisfy them all they will do anything I want. Or, as is usually the case, whatever Carly wants! Not that I’m complaining, of course!

Andrew, Porth

me and I was absolutely blown away. It was Carly – but how could it be? Confused by both booze and excitement I vaguely heard Carly’s voice say “I believe you’ve met my twin sister Candy.” I suddenly worked it out. Both of them had been shagging me without

me realising it and that it was only one of them that liked anal. If this was my surprise, then boy was I pleased! “I want you and me to teach her the pleasure of butt-fucking,” demanded Carly. Like I was going to fucking refuse!

We heard this one calling all the way from America, as Syren Sexton puts her womanly charms to good use, with bodice-ripping effect; well, at least that's what I'm dreaming of now, and Kate Bush but you can probably see why.

"You've got a ripe mind, and I don't even need to ask what else you're thinking about either."

Well, you could, you never know I might surprise you.

"I doubt it very much."

Please yourself. She is of course

quite right, I'm like an open book where Syren is concerned, my pages are there to be read, pretty much like these ones Syren is featuring in, though I don't think there's much reading going on here, if we are honest.

Uma's more than pleasurable to work with we bet.

What our well-placed moles are telling us this month...

DOWN THE WIRE

Tooned Out!

The rumours circulating on the authenticity of Trump's now famous hair are still going strong, and now we wonder if it's leading to an outbreak of toupee fear? One citizen in the grip of such a fear is New Yorker Mazen Dayem with a reported phobia of the Tazmina Devil from the cartoon Looney Toons. Dayem who filed a restraining order against his father-in-law Yunes Doleh for repeatedly scaring him with a toupee, similar to that

worn by the cartoon character, has since violated his resisting order by terrorising the 36-year-old at a funeral by waving the hairpiece and snarling aggressively. Doleh faces charges of contempt and aggravated harassment; we suspect it's just the devil in him.

Wing and a Pray!

It would appear a lot more than prayers go on in some church car parks after California's Riverside Police arrested Benjamin Baldassarre, 39, and Ashley Carroll, 31 after a surveillance team of narcotics officers, were tipped off by a neighbour. The couple allegedly used a drone to transport the drugs to waiting customers in the car park of East

Hills church. The customers would drive past the couples home and toss money on the lawn, with reportedly up to fifty cars a day. Police raided the couples house, which was also home to Baldassarre's 9-year-old daughter and found LSD laced sweets, meth and powered fentanyl, all of which was easily assessable by the child.

A Glowing Hand!

The deck is marked, yes, with plutonium! Well, not entirely, in fact, it was iodine-125, a substance used in medicines that can cause harm to those exposed without protective clothing. A 41-year-old woman from Berlin was arrested following a raid on her home that unearthed thirteen (unlucky for some) radioactive playing cards dabbed with the substance. It's currently unclear how much this elaborate cheating scheme netted, or whether she had an accomplice, or even how they detected the marked cards in the pack. But police followed a lead after a bin lorry at a waste treatment plant was shown as having elevated levels of a radioactive substance. Details are currently being withheld, but we think the plot will thicken.

As we entered the bright lights of our studio, Holly Gibbons was ready and waiting as punctual as ever.

That's some slightly bridal looking lingerie you have on there, it makes you look somewhat virginal.

"Wow, I'd really need to go back in time for that one to be true, my days of virginity have long since passed, and I'm all the better for it!"

We wish we could entirely support that statement, but we lack in experience when it comes to this gorgeous natural blonde.

"I don't suppose you can comment without trying really, what a shame it will have to stay that way."

Well, that told us, Miss Gibbons has high standards and impeccable taste it would appear.

Natalia, to the naked eye, looks like she was custom built to drain nuts of whatever happens to be swimming about in them. Which, in our case and probably in yours too, is sperm. It's the combination of a perfectly peachy arse, that dirty blonde hair, her uptilted and immensely suckable tits, and a glint in her eyes that tells you she knows one end of a cock from the other. "Are you calling me a slag?" a clearly piqued Natalia asks. "Because I'm not one. No one calls you a name just because you're obsessed with pussy. Women are meant to like dicks, and once they do, you go and make a name up for them." We didn't say a word. We just said you've got the stuff that makes dicks go all empty. Bloody hell. Soz.

Kicking off this issue is the brilliant brunette Lauren Louise, and the Derbyshire lass let slip while we were chatting, that she had once been a Miss Derby finalist, what I couldn't understand is why she wasn't

the winner, I really do think there should be a recount of the votes for that year. Still, winner or not, Lauren is doing well for herself as the 34D, 21-year-old fizzes in front of the lens, without any prompts, a complete natural.

We've taken a walk on the wild side this month

with the exotic Miss Jazz who's been relaxing in her jungle of a garden.

"I love big tree's that look like they belong to the rainforest and I've tried to create my version here."

It certainly feels like the real deal.

"Thank you, I've travelled a lot, and some of my favourite parts of the world are places like Borneo."

I'm sure we'd enjoy a walk in the forest with Jasmine.

California sunshine has the ability to make everything look like a picturesque dream, and bang in the middle of this swirling dreamscape is a thing of beauty. A woman, slowly drifting by the pool has caught our attention as she gently slips into the rock pool nearby. Aubery is a sun lovely creature, who just can't rest stripping off.

"Everything is so much more enjoyable when you're naked."

Hats off to the young lady, we entirely agree, but back in old Blighty the sun is a shy phenomenon, and jumpers are more appropriate. Still, it gives us a good excuse for a holiday and to come back and visit Aubery!
